FOLEY'S HONEY AND TAR CURES LA GRIPPE AND PREVENTS PNEUMONIA.

It Heals the Lungs and Stops the Racking Cough Usually to La Grippe.

**RECOMMENDED FOR LA GRIPPE.**  
N. JACKSON, Danville, Ill. Writes: "My daughter had a severe attack of La Grippe seven years ago and since then when she takes cold a terrible cough settles on her lungs. We tried a great many remedies without giving relief. She tried Foley's Honey and Tar which cured her. She has never been troubled with a cough since." 25c.

**LINGERING GRIPPE COUGH CURED.**  
MR. G. VACHAR, 157 Osgood st., Chicago. "My wife had a severe case of La Grippe three years ago and it left her with a very bad cough. She tried a bottle of Foley's Honey of Tar and it gave immediate relief. One bottle cured her cough entirely. Now we are never without a bottle of this wonderful Cough Medicine in the house."

It is Guaranteed.  
For Sale by Jones & Gibson.

MEN who, by false comparison, would seek to undeserved thanks of the taxpayer would probably pilfer from him if the conditions were propitious and the only condition really necessary is to make the victim think he is receiving a favor.

## For La Grip.

Thomas Whitfield & Co., 240 Wash. av., corner Jackson-st., one of Chicago's oldest and most prominent druggists, recommend Chamberlain's Cough Remedy for la grip, as it not only gives a prompt and complete relief, but also counteracts any tendency of la grip to result in pneumonia. For sale by Jones & Gibson.

WHAT profiteth it a taxpayer that he gain the whole 40 per cent and then pay more than legal rates? The publican and printer bath him upon the hip. Out of the frying pan into the fire is a much better change than to escape the regular tax assessor only to run into the hands of the political tithe gatherer.

## Recommended For La Grippe.

At the meeting of the new board of county commissioners last Monday the Independent was designated the official county paper of Trego county for the ensuing year. The county will pay 60 per cent of legal rates for the county printing this year and, be it remembered that this is 40 per cent less than it would cost the county "if we had a Republican Board of County Commissioners." Don't forget that.—Independent, January 13.

O, Sheel! Where's the camphor bottle? Have your readers forgotten that you sued a Republican Board to collect a higher rate than they agreed to pay?

Brandnew blood is what conquered Spain, and what you can have to conquer the world by using BEGG'S BLOOD PURIFIER AND BLOOD MAKER. There is no substitute. We keep it. Jones & Gibson.

The following brief comparison for the years 1893, 1894 and 1895 under Republican administration of affairs in this county with the years 1896, 1897 and 1898, under the administration of Populists and Democrats, speaks volumes in commendation of the administration of the latter, etc.—Independent, January 20.

Ho, Ho! Now that is a good one on our Republican commissioners of 1897. You commend them for their good deeds and then insult them by calling them Populists and Democrats. Better go back to your old style of slush, "ignorance, arrogance, etc." They and the people have become used to it and should not be given such a sudden change of feed.

Mr. S. A. Fackler, Editor of the Micanopy (Fla.) Hustler, with his wife and children, suffered terribly from La Grippe. One Minute Cough Cure was the only remedy that helped them. It acted quickly. Thousands of others use this remedy as a specific for La Grippe, and its exhausting after effects. Jones & Gibson.

REPRESENTATIVE WARD of Wallace county has introduced a bill compelling the commissioners of all counties to offer a bounty of from \$1 to \$3 on wolf and coyote scalps instead of allowing them to do as they see fit at present. We have always had some doubts as to the wisdom of any such bounty, so far as practical results go, except to keep pocket money in circulation and pay the expense of the sportsmen. However, if we are to have a new bounty law, it should apply to all counties of the state, include several pests other than coyotes, and offer definite bounties uniform throughout the state. Even then the border counties would probably have to pay for scalps from even "over the line." Trego can stand it if Wallace can.

Ballard's Snow Liniment is the most penetrating Liniment in the world. It cures pain and inflammation of all kinds quicker than any other known remedy. Price, 50c. Every bottle guaranteed. Jones & Gibson. 4

It strikes us that this war investigating business is getting to be a nuisance, likely to result in little more than criminating and recriminating vituperation. No censure can apply to the President on account of his effort to discover the facts through the committee and lay them before the public but so far we see little of value to the average reader. Good, brave, and presumably, honorable men and soldiers flatly contradict each other regarding all sorts of things. This can result in little good or credit to any one. The witnesses, by their testimony, remind us of the late Kansas Populist investigation and the remembrance of that alone disgusts people and goes a long way toward destroying confidence and any hope they may have indulged in as to practical results.

## An Honest Medicine For La Grippe.

George W. Whitt of South Gardner, Me., says: "I have had the worst cough, cold, chills and grip and have taken lots of trash of no account but profit to the vendor. Chamberlain's Cough Remedy is the only thing that has done any good whatever. I have used one 50-cent bottle and the chills, cold and grip have all left me. I congratulate the manufacturers of an honest medicine." For sale by Jones & Gibson.

La Grippe is again epidemic. Every precaution should be taken to avoid it. Its specific cure is One Minute Cough Cure. A. J. Shepherd, Publisher, Agricultural Journal and Advertiser, Eldon, Mo., says: "No one will be disappointed in using One Minute Cough Cure for La Grippe." Pleasant to take, quick to act. Jones & Gibson.

You never hear of any floral pieces being hung over people who get married the second time.

To insure a happy new year, keep the liver clear, and the body vigorous by using DeWitt's Little Early Risers, the famous little pills for constipation and liver troubles. Jones & Gibson.

All our former readers should take advantage of the unprecedented clubbing offer we this year make, which includes, with this paper, The Live Stock Indicator, its Special Farmers' Institute editions, The Poultry Farmer, The Farmers' Mutual Insurance Journal and the Humane Alliance. The subscription price of these five publications amounts to \$2.80, while our own paper is \$1.00, a total of \$3.80. We are prepared to send them all, including our own paper, to any farmer in this county for \$1.45, which is only 45 cents more than our own subscription price. Never before was so much superior reading matter, of the most practical and useful character, offered for only \$1.45. The first four of the papers named are so well known throughout the west that but little need be said of them. They commend themselves to the reader's favorable attention upon mere mention. The Humane Alliance is devoted to humane education, and should be in every farmer's family, so that the boys and girls on the farm may early imbibe the principles of a broad humanity that shall include all God's creatures, and learn the wickedness and brutalizing tendency of cruelty of all kinds. Take advantage of this great offer.

There is no remedy equal to Herbine for the cure of constipation, sick headache, indigestion, vertigo, loss of memory, uncertain appetite, unrestful sleep or skin eruptions. If you want a perfect tonic for the liver, Herbine will not disappoint you. Jones & Gibson. 4

## HORSE OWNERS ATTENTION

In buying Axle Grease, many persons do not stop to consider quality—thinking only of the quantity they can get for a given sum.

This is mistaken economy for two reasons. FIRST: A 1 lb. box of Poor Man's Axle Grease at 10 cents will out-wear three 1 lb. boxes of the best 5 cent grease on the market. SECOND: The added value of a high grade grease is not alone in its wearing qualities, but in its perfect lubrication and the absence of all gritty and gummy matter.

Lock one wheel of your wagon and allow your team to draw it so all day,—the draft is about the same as when your skains are encumbered with cheap grease. You use \$1.00 worth of extra power for every 5 cent box of grease you buy.
